Players Club member coupons!!!

These coupons can be redeemed in any Lottery Retail location.

To the left is a screen shot of how the ticket will look on the Players Club member's phone. Just scan the QR code under the Bar Code Reader like you would an instant ticket. If the customer doesn't want to hand you their phone, you can take the Bar Code Reader out of it's cradle and scan the QR code while the customer holds their phone. This process will automatically print the free ticket. It's that easy.

The Lottery Dollar to the left is similar. You need to scan the QR Code on the bottom right, not the bar code on the bottom left. That code will present an error message. This will put the money into the cart, it will not automatically produce a ticket. Sometimes you may need to cover the bar code, the reader may pick it up while you are scanning.
